## *PROJECT SPRING CLEAN-UP!4*

The First Baptist Trustee ministry will be conducting Project Spring Clean-Up. Over the next month, beginning April 16 and ending May 16, the team will be going through all church facilities and properties including parking lots and garages tagging items as “keep”, “donate”, and/or “trash”. Over the past few years, our areas have become overcrowded with stuff (i.e. old furniture, donations, personal items). Thus, we are asking that if you have any personal items currently stored in any First Baptist facility/area, even if you have received prior permission, that you make arrangements to have it removed within the next 30 days or it may be tagged to get rid of. Once everything has been properly tagged, all items that are tagged for either “donation” or “trash” will be made available for one (1) week to the congregation to “shop and take”, with no deliveries. After that, the items will be donated and/or trashed. We are asking for your prayers and understanding as we take on this project for the general upkeep and maintaining of all church properties.
